Weather Sunny, warm, gusting winds throughout the day.

Thanks to the BTB archers who helped set out the field on Saturday. Also many thanks to everyone who helped set up, move bosses, search for arrows (I think everyone was involved with that at one time or another!) and clear away afterwards.

Sorry the awards ceremony was marred by the weather at the end but at least we didn't get wet shooting. Well done to everyone for shooting as well as they did in very difficult conditions.

Most importantly thanks to all the archers for joining us and we hope to see you again next year.
